

Digital Media Opportunities

Tap into Connect Travel's proprietary databases and communities of tour operators, receptives, travel suppliers, travel marketers and their agencies to bring your brand a unique competitive advantage. Connect Travel connects with the travel trade through ten signature events and several industry resources including TheTourOperator.com that is designed to help professional travel planners outline trips for their clients without having to research trade content on destination websites and the InboundReport.com which has been covering the inbound tourism industry since 1996.
